[2] Excludes cross-listed ETFs that do not report flows daily.

[3] Denotes an ETF that does not publish a daily NAV or does not have a published NAV on Bloomberg as at the publication time. Last published NAV or last traded price is used as a proxy.

[4] Denotes an ETF that publishes flows on a monthly basis.

This document is issued by Global X Management (AUS) Limited ("Global X") (Australian Financial Services Licence Number 466778) and Global X is solely responsible for its issue. This document may not be reproduced, distributed or published by any recipient for any purpose. Under no circumstances is this document to be used or considered as an offer to sell, or a solicitation of an offer to buy, any securities, investments or other financial instruments. Offers of interests in any retail product will only be made in, or accompanied by, a Product Disclosure Statement (PDS) which is available at www.globalxetfs.com.au. In respect of each retail product, Global X has prepared a Target Market Determination (TMD) which describes the type of customers who the relevant retail product is likely to be appropriate for. The TMD also specifies distribution conditions and restrictions that will help ensure the relevant product is likely to reach customers in the target market. Each TMD is available at www.globalxetfs.com.au.

The information provided in this document is general in nature only and does not take into account your personal objectives, financial situations or needs. Before acting on any information in this document, you should consider the appropriateness of the information having regard to your objectives, financial situation or needs and consider seeking independent financial, legal, tax and other relevant advice having regard to your particular circumstances. Any investment decision should only be made after obtaining and considering the relevant PDS and TMD.

This document has been prepared by Global X from sources which Global X believes to be correct. However, none of Global X, the group of companies which Mirae Asset Global Investments Co., Ltd is the parent or their related entities, nor any of their respective directors, employees or agents make any representation or warranty as to, or assume any responsibility for the accuracy or completeness of, or any errors or omissions in, any information or statement of opinion contained in this document or in any accompanying, previous or subsequent material or presentation. To the maximum extent permitted by law, Global X and each of those persons disclaim all any responsibility or liability for any loss or damage which may be suffered by any person relying upon any information contained in, or any omissions from, this document.

Investments in any product issued by Global X are subject to investment risk, including possible delays in repayment and loss of income and principal invested. None of Global X, the group of companies of which Mirae Asset Global Investments Co., Ltd is the parent, or their related entities, nor any respective directors, employees or agents guarantees the performance of any products issued by Global X or the repayment of capital or any particular rate of return therefrom.

The value or return of an investment will fluctuate and an investor may lose some or all of their investment. Past performance is not a reliable indicator of future performance.
